

Giants in the Land

Numbers 13:25-30; 14:6-9; Isaiah 55:8; Joshua 21:45; Ephesians 3:20

Verse 1

**O God You're so much greater
Than the giants in the land
Your promises are bigger
Than the mountains in our way
With faith and great expectancy
We lift our eyes to You
You are able, You are faithful,
You are true**

Chorus

**So we will praise You
Even before the breakthrough
We lift our eyes to heaven
You alone are God
You're able to do all things
Faithful, God, in all things
Our hope is in You
Our God You will prevail**

Verse 2

**Your greatness goes beyond
Whatever knowledge that we have
Your ways are so much higher
Than what we can understand
So with faith and great humility
We lift our eyes to You
You are able, You are faithful
You are true**

Bridge

**You're the One who moves the mountains
The One who parts the seas
Our confidence is Your ability
You're the One who's more than able
And Your arm is not too short to save
We know that You're the One who makes a way**

Verse 3

**So we will remember
You are great and You are God
You're faithful to deliver
And fulfil Your promises
So with faith and trust and confidence
We lift our eyes to You
You are able, You are faithful, You are true**
