

Wonderful Saviour

Wonderful Saviour, You have such power
You can break the strongest chain
In Your Name there is salvation
Through the cross You made a way
Wonderful Saviour, You are a refuge
And a fortress for the weak
You are the Lord
Your Name is great
Forever worthy to be praised

Wonderful Saviour, You are the answer
To a broken world in need
You are the One who breaks oppression
You bring life and liberty
Wonderful Saviour, You are our anchor
And our hope that never fades
Mighty to save
Alive today
Our King forevermore You'll reign

Jesus, Lord and Saviour
Jesus, Great Redeemer
Jesus, our Hope forevermore
Jesus, conquering King
Jesus, soon returning
Jesus, You reign forevermore

You have conquered for You overcame the grave
You're exalted, the Name that's high above all names
And in triumph, You are coming back again
Jesus, Jesus
